[Student ID Application FAQ]

1. When I try to access the 'Issue Student ID' page after logging into the Yonsei Portal, it says I am not eligible.

→ Please make sure you log in with your student ID account, not your applicant(examinee) number account, and then access the 'Issue Student ID' page.

2. I cannot get my mobile student ID issued.

→ The mobile student ID can only be issued after the physical(plastic) student ID card has been produced and after the semester begins.

3. I applied for a non-financial student ID. When can I receive it?

→ Non-financial student IDs can be collected after the start of the semester.

Student IDs applied for between Aug. 27 and Aug. 31 will be distributed by the administration office of your college. For application submitted on or after Sep. 1, it will take about 2 weeks for the ID to be issued. After issuance, please collect your card at:

* Sinchon Campus: Office of Academic Services, Service Center (Baekyangnuri, B134)

* International Campus: Administrative Office of your college

4. When can I pick up my financial student ID from the bank?

→ Issuance takes 5-7 days from the application date. Once ready, you will receive a KakaoTalk notification from the bank. Visit the bank after receiving the message.

(Please note that notification messages may not be sent if you have not consented to marketing communications or have opted out of receiving text messages.)

5. Can I change the pickup location after applying?

→ The pickup location can NOT be changed after application. For home delivery: shipped within about 5 business days, so consider your moving or dorm schedule carefully. For bank pickup: redelivery to home/work is not available; only change to another nearby Woori Bank branch may be possible. For details, contact Woori Bank.

6. I get an error when entering company/department info in the app.

→ Errors occur if special characters are included or if the name exceeds 10 characters. Enter up to 10 characters without special symbols.
