Activities

DEAR PARTICIPANTS,

SIMPIC is back! The Siriraj International Medical Microbiology, Parasitology and Immunology Competition (SIMPIC) warmly welcomes medical students from across the globe to our 16th annual competition.

What began as a shared dedication to medical excellence has grown into an international arena for future physicians, researchers, and global healthcare leaders.

RESIDENT'S MESSAGE

SIMPIC is more than an academic contest; it is a dynamic platform where the world's brightest medical minds challenge their skills, exchange ideas, and build lifelong international networks.

As we reach our 16th milestone, we invite you to immerse yourselves in an extraordinary journey of high-stakes academic competition, teamwork, and rich cultural exchange. From February 20th - 23rd, 2027, every round will test the boundaries of your knowledge and celebrate your dedication to medicine.

On behalf of the entire organizing committee, we extend our most formal invitation to your delegation. Do not miss the opportunity to showcase your talent, represent your institution, and leave your legacy at SIMPIC 16th.

***We are looking forward
to seeing you at SIMPIC2027!***

Natorn Prechachaisurat
President, SIMPIC 2027

INTRODUCTION TO SIMPIC

***SIMPIC stands for Siriraj International Medical Microbiology,
Parasitology, and Immunology Competition***

A globally recognized academic event proudly hosted annually by the Faculty of Medicine Siriraj Hospital, Mahidol University, in the center of Bangkok, Thailand.

In 2026, we are thrilled to mark the 16th Anniversary of SIMPIC in 2027, a remarkable milestone reflecting sixteen years dedicated to advancing academic distinction, fostering global partnerships, and enriching cross-cultural relationships. To honor this occasion, the 2027 competition is designed to be our most dynamic and visionary event yet.

For sixteen years, SIMPIC has empowered medical students worldwide to push their intellectual boundaries, establish lifelong international networks, and forge unforgettable memories. Building on this distinguished legacy, SIMPIC 2027 will raise the standard across all dimensions—offering sharper academic challenges, reinvented social activities, and deeper cultural journeys that embody sixteen years of international cooperation and excellence.

Every participating team will feature four medical students, with the option of being accompanied by a team advisor. Universities are welcome to enroll as many teams as they wish without restriction. Competitors will undergo a series of rigorous assessments spanning Microbiology, Parasitology, and Immunology—each thoughtfully crafted by seasoned specialists with more than sixteen years of expertise in hosting medical competitions.

Alongside the intense academic contests, SIMPIC 2027 celebrates the beauty of Thai heritage. Delegates will participate in authentic cultural activities, enjoy scenic city tours, and attend an exclusive 16th Anniversary Gala celebrating the incredible journey of SIMPIC and the brilliant future medical leaders who have been part of it. Attendees will be immersed in the vibrant atmosphere, traditions, and culinary delights of Bangkok.

Joining SIMPIC 2027 is not only a chance to deepen your scientific knowledge but also an opportunity to broaden your horizons and shape your future in medicine. We invite you to celebrate 16 years of excellence, connection, and a shared passion for medical sciences.

“

**BE PART OF SIMPIC 2027
EXPERIENCE GREATNESS
MAKE HISTORY**

”

ACTIVITIES

CONFERENCE

(For Advisor/Observer)

Unlock the transformative world of medical science alongside our distinguished guest speakers at the SIMPIC 2027 Conference. Explore cutting-edge breakthroughs, gain fresh clinical insights, and take part in interactive Q&A discussions with leading microbiology experts. Join us to be an active part of this visionary event!

CULTURAL ACTIVITY

Before the competition officially kicks off, let's jump into an adventure packed with joy and energy! This is your chance to break the ice, connect with fellow participants, and build global friendships through dynamic ice-breaking activities designed to immerse you in the magic of Thai culture.

Step back in time with our captivating recreational programs that promise an exhilarating journey into Thailand's rich heritage, iconic landmarks, and vibrant flavors. Look forward to friendly team challenges, creative hands-on workshops, and plenty of unexpected surprises along the way!

FAREWELL PARTY

As our memorable time comes to a close, we invite you to join us for one last spectacular night! Come celebrate at our grand Farewell Party as we embark on a brilliant cosmic adventure together.

The night promises a universe of entertainment, lit by dazzling visuals and vibrant energy. Indulge in a delicious buffet dinner while enjoying a captivating line-up of live music, exquisite dance performances, and an electrifying DJ performance to dance the night away.

Above all, the most cherished part of the evening will be the unforgettable memories we forge together under the stars—connecting, celebrating, and marking the end of a remarkable journey. We look forward to seeing you there for a truly unforgettable night!

CULTURAL EXCURSION

As SIMPIC 2027 comes to its grand conclusion on our final day, we have prepared an extra special experience just for you! Following days of intense academic competition, it is time to relax, recharge, and step directly into the vibrant pulse of Thailand.

This curated day trip will take you on a captivating journey through both Thailand's rich history and its modern wonders, seamlessly bridging the city's celebrated heritage with its dynamic present. As we look back on the remarkable milestones achieved and the lifelong friendships forged throughout the competition, you will have the chance to experience the timeless charm and contemporary spirit of Thai culture firsthand.

We cannot wait to welcome you to Thailand—a place where unforgettable moments and extraordinary discoveries await you around every corner
